A lot of activity took place during a period frequently labeled derogatively as the Dark Ages, and while that period of time is mostly referred to as the Middle Ages instead of the Dark Ages today, it has still retained the stigma of being a sort of lost period of time in which Western civilization made no worthwhile progress after the advances of the ancient civilizations of Greece and Rome. In reality, this oversimplification of the Middle Ages overlooks the progress made in the studies of sciences and philosophy, especially during the High Middle Ages. It also ignores the fact...
