When all Americans are treated as equal, no matter who they are or whom they love, we are all more free. -- U.S. President Barack Obama The book So How Did Love Win chronicles the highlights of the LGBTQ liberation movement for kids of all ages. In light of the US supreme court ruling on same sex marriages, it pays tribute to our pioneers as it attempts to address the question- So how did love win-and leads us to the inevitable conclusion. The book is geared for all humanity, for we all need to be happy. Adults could read for kids about Happiness and through the process will enhance their own Happiness. Much like: The Little Prince and The Giving Tree the book delivers deep philosophical concepts in a bright, humorous and comprehensible manner. A great gift for parents, kids, colleagues, students, teachers, family, friends. (And above all-enemies) and, frankly, anybody who wants to be Happy- which is all of us- isn't it?
