Wizard Academies, LLC, United States, 2008. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The first novella-length Wizard Academies book relates fascinating tales of magickally-gifted kids at a school that isn t quite right .Some wizard schools are highly-accredited and well-respected. Others are smaller but serve elite clientele with high academic standards. By way of contrast, Gallimaufriars Academy in Cumbria barely meets Ministry of Wizardry criteria. Corwyn Daniels faces problems a bit more challenging than most wizardlings encounter: * How do you catch a Black Dragon? * What s a Pestcheckler? * Where did the school s prized Sand Djinn Dervish go? * Why is Gwynn ap Nudd hunting Misty Callaghan? * How do I cast a spell when the Wild Hunt s after me? Corwyn really has his work cut out for him. You ll delight in the magickal misadventures of a boy from the LEAST influential Wizard Academy in Britain -- run by professors that other schools refer to as a bunch of rumpots, crackpots, and pooka-mazed halfwits .
