Brand New Book ***** Print on Demand *****.Excerpt from Schulman s System of Garment Cutting: Coat and Vest Measure and Adjustable Trouser System, a Most Comprehensive Treatise on the Art and Science of Cutting Coats, Vests and Trousers Having thoroughly mastered the subject of designing, I have deemed it advisable to impart the valuable knowledge that I have gained through thirty-five years of study and experience. The many years I have devoted to designing and garment cutting, enables me to edit the most practical treatise ever published on the subject. In submitting this second edition, I desire respectfully to direct attention, that the entire work has been carefully revised and brought up-to-date. I have made a most careful study of the necessities of the student for drafting patterns for abnormal figures, and have imparted this information in concise, accurate and well defined terms. Moreover, in following my rules laid down, the student is enabled to cut any size or shape desired. This factor is essential and is one of my methods for making the student more practical. The compilation of a table of proportionate measures for the various heights, will also enable the student to understand, when comparing his own measures with the table of measures, whether his client is normal or abnormal, and thereby make the necessary changes. Of the many testimonials I have received, regarding my system work, I will mention only one, and that - after our work has met the rigid test and strict inspection of the United States Government, it has permitted my name to be printed in the Industrial Honor Roll in the History of the Panama Canal. I also desire to extend thanks to my sons, who...
