The Rules Are Simple: It's the ultimate test of strategy and skill. The killer chooses each opponent carefully, learning each one's weaknesses. Every meticulously planned move is leading to a devastating checkmate. Because in this game, all the pretty pawns must die. First You Play Andi Wren is fighting to keep her late husband's company safe from vindictive competitors. When she receives an ominous note, Little birds must fly, she turns to P.I. Luke Denton. But though Luke has personal reasons for wanting to take down Wren Development's opponents, his investigation suggests this is deeper and far more dangerous than a business grudge. Then You Die. . . In a basement on the outskirts of town, police detectives unearth piles of skeletons. As they learn the shocking truth about each victim's identity, their case collides with Andi's, revealing a killer's ruthless plot and a chilling, lethal endgame. . .
