B-277291 accurate information on this public private sector workload distribution. If s analysis of its compliance with 10 U. S. C. 2466 is to be meaningful, DOD improvements are needed in the data collection and reporting process. To improve the accuracy of reporting on the amount of funding for depot Recommendation maintenance in the public and private sectors, we recommend that the Secretary of Defense develop a standardized methodology for annually collecting depot maintenance funding data for the public and private sectors. This should include ( 1 ) a specific definition of the types of activities to be reported, ( 2 ) the defense components that should be reporting, and ( 3 ) specific data collection processes and procedures the military departments are to follow to insure complete, accurate, and consistent reporting of the amount of funding provided for public and private sector depot maintenance workloads. DOD officials commented on a draft of this...
