Simon Schuster Books for Young Readers, United States, 2016. Hardback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book. From the award-winning and New York Times bestselling author of Five, Six, Seven, Nate! and Better Nate Than Ever comes a laugh-out-loud sad YA debut that s a wry and winning testament to the power of old movies and new memories one unscripted moment at a time. Quinn Roberts is a sixteen-year-old smart aleck and Hollywood hopeful whose only worry used to be writing convincing dialogue for the movies he made with his sister Annabeth. Of course, that was all before before Quinn stopped going to school, before his mom started sleeping on the sofa and before Annabeth was killed in a car accident. Enter Geoff, Quinn s best friend who insists it s time that Quinn came out at least from hibernation. One haircut later, Geoff drags Quinn to his first college party, where instead of nursing his pain, he meets a guy a hot one and falls hard. What follows is an upside-down week in which Quinn begins imagining his future as a screenplay that might actually have a happily-ever-after ending if, that is, he can finally step back into the starring role of his own life story.
