

An Organismal Theory of Consciousness (Classic Reprint) (Paperback)

Filesize: 8.69 MB

Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Organismal Theory of Consciousness This book is a reprint, with a few verbal changes necessitated by its mechanical isolation, of the last chapter (twenty-four), the preface, and the postscript of my larger work, The Unity of the Organism, or The Organismal Conception of Life. The title of the chapter is, Sketch of an Organismal Theory of Consciousness and I wish to emphasize the avowedly brief treatment of the subject as indicated by the term sketch. My reason for publishing this much of The Unity as a separate book is strategical. I hope the move will contribute to the winning of earlier and wider attention to the full treatise by two groups of students especially: Philosophers who have broken away from subjectivist idealism; and physiologists who have deeply sensed the meaning of physical chemistry in its application to living beings. To win more readers for the full work is my hope. And should the thing happen which I realize is possible, to wit, the usurpation by this chapter, which is primarily hypothetical, of the place rightfully belonging to the entire book, which as a whole is quite the reverse of hypothetical, I should be chagrined indeed. But I am counting on an influence even stronger than the sense of fairness and consistency of students as a guarantee against such an outcome. It seems to me western civilization is entering on an era in which integrative conceptions and forces are going to determine the feelings, the thoughts and the acts of men much more than they have for the past three-quarters of a century. Already tendencies of this can hardly be mistaken in industry, in labor,...
