Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Simple Organization for Homeschools is completely geared towards homeschooling families, since many books on home organization already exist. Examples, forms, resources, and practical suggestions make this a must-have reference book for all homeschoolers. This book guides Christian homeschool parents in completely organizing their homeschools. Organization brings peace, balance, and the ability for true academic learning to a homeschool. Biblical encouragement for order in our homes is included along the way, verses such as I Corinthians 14:40, But all things should be done decently and in order, (ESV). In addition, each chapter or section is tied together with a unifying, biblical theme. The first part of organizing a homeschool is choosing a style and curricula that not only fit your family s lifestyle, but that also fits each child. Then you need to learn how to schedule and use your time effectively. After that, you re ready to get to the good stuff: why, where, and how to set up a schoolroom, how to store supplies efficiently, and how to keep the paper piles under control. This book encourages you to make organizational choices that work with your family s style. I ve tried many different methods and styles, but what works for me won t necessarily work you. Simple Organization for Homeschools will help you to organize one piece of the homeschooling puzzle at a time in a way that makes sense for you with the different tried-and-true choices I present.
