### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Sophia Institute Press. Paperback / softback. Book Condition: new. BRAND NEW, The Spiritual Life: A Comprehensive Manual for Catholics Seeking Salvation, Jean Nicolas Grou, We found this lost classic among the cherished works that French Catholics risked everything to save when the Church was under attack -- in the frenzied days of the French Revolution and its aftermath. French Catholics valued this book as a tough, uncompromising handbook on how to deal with the obligations and problems of the spiritual life. It teaches you what you need to know and to do when the comforts and supports of life have been swept away. Our times are not so far removed from the Godless irrationality that swept across France in Fr. Grou's day. That's why, in our own tumultuous age, The Spiritual Life is so desperately needed. It's the one guide that offers you real help to navigate the treacherous spiritual waters of today's world, and to keep the Faith!.
