Deterrence and Terrorism: Can Global Terrorism be deterred?

By Patrick Wagner

GRIN Verlag Nov 2011, 2011. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2004 in the subject Politics - International Politics - Topic: Peace and Conflict Studies, Security, printed single-sided, grade: 2+ (B+), University of Kent (Brussels School of International Studies), language: English, abstract: For more than four decades during the Cold War, deterrence has been a key element of US defence policy and it can even be argued that the strategy of nuclear deterrence thwarted a major military confrontation between the Soviet Union and the USA. With the end of superpower tensions and the end of the Cold War itself, the deterrence system became obsolete. However, the terrorist attacks of September 11 brought deterrence back on the political agenda. In its National Strategy to Combat Weapons of Mass Destruction the USA calls for new methods of deterrence in order to meet the threats of global terrorism. The question arises whether deterrence, which seems to have worked in a traditional setting, where one state deters military action of another state, can work in a non-traditional confrontation between a state and an abstract opponent like terrorism...
