Smyth Helwys,U.S., United States, 2014. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****. They didn t teach me that in Sunday school! All those years in Sunday school and no one ever explained why Eve took the blame for the fall when Adam was beside her . . . or why Phoebe was a servant when the same word elsewhere was translated as deacon . . . or why only Miriam got leprosy when she and Aaron both questioned Moses . . . or who made the food for the Last Supper and then cleaned up afterward. These are the questions of reflective faith, a faith that asks hard questions and refuses easy answers, a faith that engages with the world and seeks to change it. In Reflective Faith, Susan Shaw offers a set of tools to explore difficult issues of biblical interpretation, theology, church history, and ethics- especially as they relate to women. Reflective faith invites intellectual struggle and embraces the unknown; it is a way of discipleship, a way to love God with your mind, as well as your heart, your soul, and your strength. This companion workbook provides individuals and small groups a wide variety of opportunities to put to work the tools introduced in Reflective Faith. Shaw has crafted superb exercises that will encourage dialogue, interaction, and growth toward greater discipleship.
