## The Future of Religion, First Edition

By Nikunja Vihari Banerjee

Munshiram Manoharlal Publishers Pvt Ltd, New Delhi, 1981.  
 Hardcover. Book Condition: New. 23 cms. 130pp. In this book Profesor Banerjee has, among other things, made an attempt to show that the moods of the human mind characterizable as contemplative, meditative and Yogic are really devoid of genuinely religious significance, in as much as they are, in an ultimate analysis, ways of escape from the goal of human liberation. The religions of God as well as religions without God typified in ancient times also have been shown by the author. But then, religions without God have their positive counterpart in humanism, precisely the kind of religion which, as has been shown in the Second Part of this book. This book is sure to be of absorbing interest to men of religion, philosophers and the general reader alike.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Ally Reichel

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS
