ZONDERVAN, United States, 2015. Mixed media product. Book Condition: New. Student. 235 x 149 mm. Language: English . Brand New Book. This dynamic four-week church-wide campaign uses the story of Honi the Circle Maker-who prayer-walked his way around a devastating drought in first-century BC Israel until the rains came-to engage your entire congregation in a powerful study on prayer. Four video sessions expand on the teaching from Mark Batterson's bestselling book of the same name, combining a teaching element with a creative element. Each session wraps up with a practical application called Draw the Circle, giving each participant the opportunity to form a prayer circle around his or her own challenges, opportunities, and dreams. This church-wide campaign kit includes: * One adult trade book * One adult participant's guide (provides teaching notes, discussion questions, Bible study, between-session activities and a practical application called Draw the Circle, giving you the opportunity to put the prayer principles you have learned into practice) * One adult DVD containing four small-group video sessions, a Getting Started guide, four sermon outlines, and all the church promotional materials needed to successfully launch and sustain a four-week church experience * One student edition book, with a study guide now included * One DVD for students (includes all new introductions with Mark Batterson and his son, Parker as well as teaching clips specifically geared toward students) * One children's curriculum DVD (printable lessons that include both teacher material and activities separately designed for preschool, early elementary, and later elementary use) * One Getting Started guide.
