From the author of Leaving London This is your life and you may just recognize yourself within these seventeen short stories and six plays. If you ve ever been in a less than perfect relationship, been trapped in a meaningless job you hate, have found yourself drunk, lost and alone in a new city on Christmas Eve, or have simply spent years trying to escape from a situation of your own making, then you may just find some comfort within the pages of this book. By the fourth hour that voice was pleading with me - Make...
