He was my best everything. He was mine. Coming home is hard for Lane. Hard because Harry, her beloved uncle, has died suddenly, but also because of him. Kale. Kale Hunt has been her best friend since childhood. But it was never that simple. He was Lanes reason for leaving home and moving to New York. Seeing him with someone else, in love with someone else, shouldnt have hurt. But it did. It really, really did. So she upped sticks and left, started a new life and cut herself off from her past. But now shes back and all the feelings are right there. As if she had never left. Emotions are running high for everyone, and tragedy has a funny way of bringing people together. But is Lane reading the signs right? Are they still just friends, or is there something more?.
