Brand New Book ***** Print on Demand *****.Grady Harp wrote: Not only is this a very well illustrated story with a connected story that children will love, it also offers a different angle of the relationship of cat and mouse, suggests just what is a heroic adventure (in this case it is a good deed), shares the benefits of creativity and patience and a tender little tale about the importance of family - human and animal. Children will love this book Ivan Belchev from UK wrote: I like the illustrations inside. Great adventure book for kids. You will not lose the colorful story if you look it on the black-white kindle screen. A great adventure children s ebook: Leo s Sunday Adventure begins early one Sunday morning when everybody is asleep. His cat, Milkshake, wakes him up and leads him to the kitchen where he finds something special. This is the beginning of Leo and Milkshake s short adventure in the house and the back yard. This is a wonderful story for children. The story teaches children the importance of patience and love of others (they will meet a cat that does not always chase mice) and they will learn how Leo improvises, creatively using objects that he has learnt about.
