Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Used by over 1.5 million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. This is the product access code card for MasteringNutrition and does not include the actual bound book. The Science of Nutrition, Third Edition is uniquely organized using an applied approach, which organizes vitamins and minerals based on their functions and effects on the body. This applied approach is most evident in the functional organization of the micronutrient (vitamin and mineral) chapters. Rather than requiring you to memorize all the vitamins and minerals and their characteristics, the authors present them based on their functions (like fluid and electrolyte balance, antioxidant function, bone...
