

## How Fievel Stole the Moon: A Tale for Sweet Children and Sour Scholars (Paperback)

Filesize: 4.12 MB

### Reviews

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

And the Horse You Rode in on Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Late in the 1600s, on a lovely spring day, the beloved but elderly Rabbi of Berdicheva, accompanied by three of his students, sets out traveling north from Berdicheva through the Pale of Settlement toward Vilna, the rabbi's birthplace and still the home of his brother and his family. Though he is still a vigorous man, the rabbi is too wise to assume he will remain so forever. He longs to see those he loves, and yearns to revisit the cherished places of his childhood at least one more time. Along the way he has agreed to visit the congregation of the Great Rabbi of Chelm and meet with the wise men of his congregation, the legendary Khakhomim of Chelm. Like all the learned men of his time, the rabbi is aware that Chelm, despite its reputation as a center of erudition, is also known as the legendary City of Fools. Inclined to think well of his fellow man, the Rabbi of Berdicheva had always dismissed such talk as nonsense. But as he and his party draw closer to Chelm, he begins to hear stories of the consequences of the unique reasoning and surprising wisdom of the Great Rabbi and the Khakhomim of Chelm. These stories, if true, would make a person think that what passed for wisdom elsewhere would be regarded as folly in Chelm, and what passed for wisdom in Chelm would be seen as foolishness anywhere else. To those who were not immersed in the ways of Chelm, what was understood as the justice and generosity decreed by the Khakhomim of Chelm often appeared to be unfair, cruel,...
