GO VIA LOS ANGELES TO THE EXPQSITIONS The suns of August scorch the yellow grain, And pale, the hills are wrapped in whiten d haze; Like islands float the groves above the plain, From skies unclouded comes the lambent blaze; The roads are blinding in the floods of light, The suns are followed with the burning moons, Each day but dies to bring as rich a night, And at the dawning night in languor swoons. The far earth-rim that with the haze is cross d, This glowing landscape that is lying near, One seems my life within the vanish d past, The other as...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
