

Scoundrels in Paradise (Paperback)

Filesize: 1.28 MB

Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dawn Hane)

SCOUNDRELS IN PARADISE (PAPERBACK)

[DOWNLOAD](#)

Barnburner Publications, United States, 2012. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the true story of a family drug business operated across international borders. Scott was named for his older cousin Adlai Stevenson, who was a former two-time Presidential candidate and American Ambassador to the United Nations. Scott recounts a roller coaster ride through the global counterculture of the 60 s, 70 s, 80 s and 90 s. It is a ride of flamboyant decadence and adventuresome lifestyle that eventually ends in homelessness and tragedy. It begins in his early teens when his first drug smuggling experience occurs at the self-seeking insistence of his older brother Ron. Over the course of nearly forty years, Scott travels the world inventing drug scams that continually outmaneuver the authorities. He evokes a hip, dangerous, fast-paced lifestyle by creating diversions that are unique and witty. He meets legendary artist Salvador Dali, entertainer John Belushi and such music icons as Jimi Hendrix, Bob Marley, Carlos Santana and John Lee Hooker. He survives on smuggler s ingenuity, idiot s luck and the love of exotic women. Scott s story is infused with fascinating travels through the cultural landscapes of California, Hawaii, Europe, Morocco, Indonesia, Singapore, Bangkok and beyond. Ominously, this path leads down a twisted road of lies and deception. It is a story of loves forged and loves lost; of selfishness, greed, deceit, lust, love, revenge and sorrow. His story proves that there is no paradise for scoundrels. They all get ii in the end. This book belongs to anyone who has savored a well-told tale of adventure. High Times Magazine has placed Scoundrels in Paradise on their list of recommended books.
