Whether it is lack of time or pure laziness, the majority of us who profess to be Christians never get around to mining the deeper spiritual nuggets from scripture, knowledge God desires every man to know. Author Dana Taggart confronts us with the bottom line of that knowledge. Do I know God Does my life reflect that knowledge Open His Gift answers the questions people have about why Jesus Christ did what He did and what it can mean to them personally. It is the profound made simple. Most people have been to church and heard a pearl here and a pearl there, but Dana Taggarts new book, Open His Gift, is the necklace strung. In a page-turning look at mans accountability to God, Taggart hooks readers in a personal way taking them from creation to Calvary. It is bedrock Bible doctrine handled in an innovative, refreshing way. Brought to a point of a possible conversion experience, the reader is ultimately left at the Judgment Seat of Christ having been given a deep desire to grow and serve.
