SAMUEL HAS A DOLLAR TO SPEND

To download **Samuel Has a Dollar to Spend** PDF, make sure you click the web link below and download the document or have access to additional information which are have conjunction with SAMUEL HAS A DOLLAR TO SPEND book.

Lulu.com, United States, 2015. Pamphlet. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is about a boy named Samuel who makes a series of money trades. It can be used to learn about the value of one-dollar bills and coins (quarters, dimes, nickels, and pennies) at a more concrete level. It may be used to accommodate for specific needs and learning styles. It provides a model to represent coin values proportionally, which teachers, tutors, and parents will find very useful in helping kids learn about coin values, and problem solving. The proportional coin kit can be used with this book and other coin activities, with or without regular coins. You can make four copies of the coin kit (in color if possible) on cardboard and have your own proportional coin set for a dollar. Students drawings may be used to support the use of the proportional coins at the representational level. Mathematical sentences or equations may accompany learning activities to help them make connection with the abstract level. Eventually, the students will not need to use the proportional coins anymore.
