Brand New Book ***** Print on Demand *****.Have you ever wanted to keep a travel journal, but were not sure where to start or what to write? Travel Journal is a partially guided travel journal to help you record various parts of your trip. Search for S M Travel Journals, (use quotation marks for best search results), to see all covers. The journal can accommodate up to 32 trips/destinations. Each trip/destination gets six pages. The first two pages are guided with Destination, Date, Who, Places, Accommodations, Transportation, Food/Restaurants, Sightseeing, Souvenirs, Other Costs and Best Part of the Trip. The following four pages titled, Daily Notes and Pictures, are lightly lined so that you may write or draw pictures of your travels. Colored pencils are recommended for drawing. The front of the journal contains eight different maps so that you can mark where you have traveled. The journal is great for both children and adults. Many different covers exist so that each person in your family or group can pick a different cover, but the insides are all the same. There is also a place on the cover and inside to record the volume, then if you fill up one journal you can start another of the same cover or pick a different cover. Again, search for S M Travel Journals, (use quotation marks for best search results), to see all covers. Journal will fit in a large zip lock bag for added protection when traveling.
