Styles range from direct references to the Mexican folk art that first inspired her, to geometric patterns that resemble tin ceilings or printed fabric, or to designs that look like Japanese sashiko or other embroidery. In addition to Aisha's stamping and design techniques, enjoy tutorials on basic metalworking skills: * Riveting * Creating holes * Shaping * Antiquing * Basic polishing * And filing Aisha focuses on inexpensive metals such as copper, brass and nickel as she shows how to create basic punch designs with just one stamp. She then demonstrates how the same design can be elaborated using two, then three or more different punches. The design possibilities are endless!.
